

Law Enforcement Support Office (LESO) In Brief
In Brief Info

* The DLA LESO PCR Team is required to physically verify or obtain an acceptable custody card for 100% of the LESO Program Weapons, Aircraft, and Tactical Vehicles, or other General Property as required, as appearing on the accountable record, for each LEA that has been selected for review during the PCR. An acceptable version of a custody card must contain the following elements: 1) LEA name, 2) LEA physical address, 3) LEA phone number, 4) Name of individual responsible for physical custody of the item, 5) Item nomenclature (item name), 6) Serial number of the item (if applicable), 7) Quantity of item, 8) Printed name of individual responsible for physical custody of item, 9) Signature of individual responsible for physical custody of the item and 10) Date the custody card was signed.

** Overall State Inventory Accuracy Rate (%) is determined by adding required Weapons (A), Aircraft (B), Tactical Vehicles (C) and General Property (D) at LEAs selected for review during the PCR, and dividing by the actual number of property that was physically verified (X) or verified via an approved custody card (Y) during the course of the PCR.

Background: Per the Defense Logistics Agency (DLA) Disposition Services, Law Enforcement Support Office (LESO) Standard Operation Procedures (SOP) and the DLA Memorandum of Agreement (MOA) between DLA and the State, the DLA Disposition Services LESO will conduct a Program Compliance Review (PCR) for all States and Territories with agencies enrolled in the LESO Program every two (2) years.

Purpose: PCRs are performed in order to ensure that State Coordinators, SPOCS and all LEAs within a State are compliant with the terms and conditions of the LESO Program as required by the DLA Disposition Services LESO MOA with the State.

Scope: During the PCR, the DLA Disposition Services LESO will review property and administrative records of the State Coordinators Office and selected LEAs within the State. Subsequent to the PCR, the DLA Disposition Services LESO will provide the State Coordinators Office an overall rating in terms of compliance or non-compliance with the terms and conditions of the LESO Program.

DISCUSSION	
Comments	State personnel was well prepared for the Program Compliance Review. Folders for each LEA were available upon LESO PCR Team's arrival at the State Coordinator location. Folders contained all pertinent LEA information, including SPO and Application. State personnel brought all folders along on the trip and had them available for each LEA. LEAs visited during the scheduled PCR were well prepared and were knowledgeable about the LESO Program and the property available to them.
Key Topics	LESO had to remind/educate numerous LEAs about the mandatory use of Equipment Custody Receipts (ECRs) for all LESO Small Arms. Also, if items were not going to be available for physical review, an ECR card should have been provided to the LESO PCR Team prior to the PCR taking place.
LEA Concerns	LEAs submitted complaints concerning the additional restrictions on EO Vehicles and the RTD System being too cumbersome to navigate through to get the property they need.
LEA Recommendations	LEAs made no recommendations.
Assigned Action Items	Please see attached sheet for complete list of Action Items.

**Defense Logistics Agency Law Enforcement Support Office (LESO)
Program Compliance Review Certification of Inventories**

The Law Enforcement Support Office (LESO) Program Compliance Review (PCR) Team hereby certifies the attached inventories were either physically reviewed or verified via acceptable Equipment Custody Card (ECR) approved by the LESO. All items listed on the attached were verified or have been labeled as a property discrepancy and have been addressed with the State Coordinator's Office during the PCR Out-Brief.
